

Luxury Photo Books

Our Luxury Photobooks are created using only the highest quality Fuji Silver Halide photographic paper. The images are exposed onto this paper and then developed through traditional chemical photographic processes. We then bind the pages using a unique lay-flat process, which allows the book to open totally flat at any page, to show off double page spreads at their best. We then delicately hand finish the book with your choice of covering with careful attention to detail.

SPREADS/PAGES	MEDIUM (Approx A5)	LARGE (Approx A4) Landscape	SQUARE MEDIUM (20x20cm)	SQUARE LARGE (25x25cm)
5/10	£89.99	£134.99	£124.99	£138.99

Design Service

We understand that designing a book is not everyones' cup of tea, and with this in mind, we offer a full design service. All we need are the digital files that you would like to use, and our professional designers will do the rest! A PDF proof will be sent to you for approval prior to your project going to print.
